PATTERN FOR MEN'S PANTS FRONT

This is how the pattern pieces should go together to form the total pattern for the front piece of the men's pants.

Each paper in this pdf-file contains a numbered section from this pattern.

You shall put them together by matching the 'corner hooks' with each other.

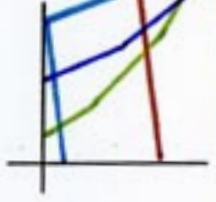

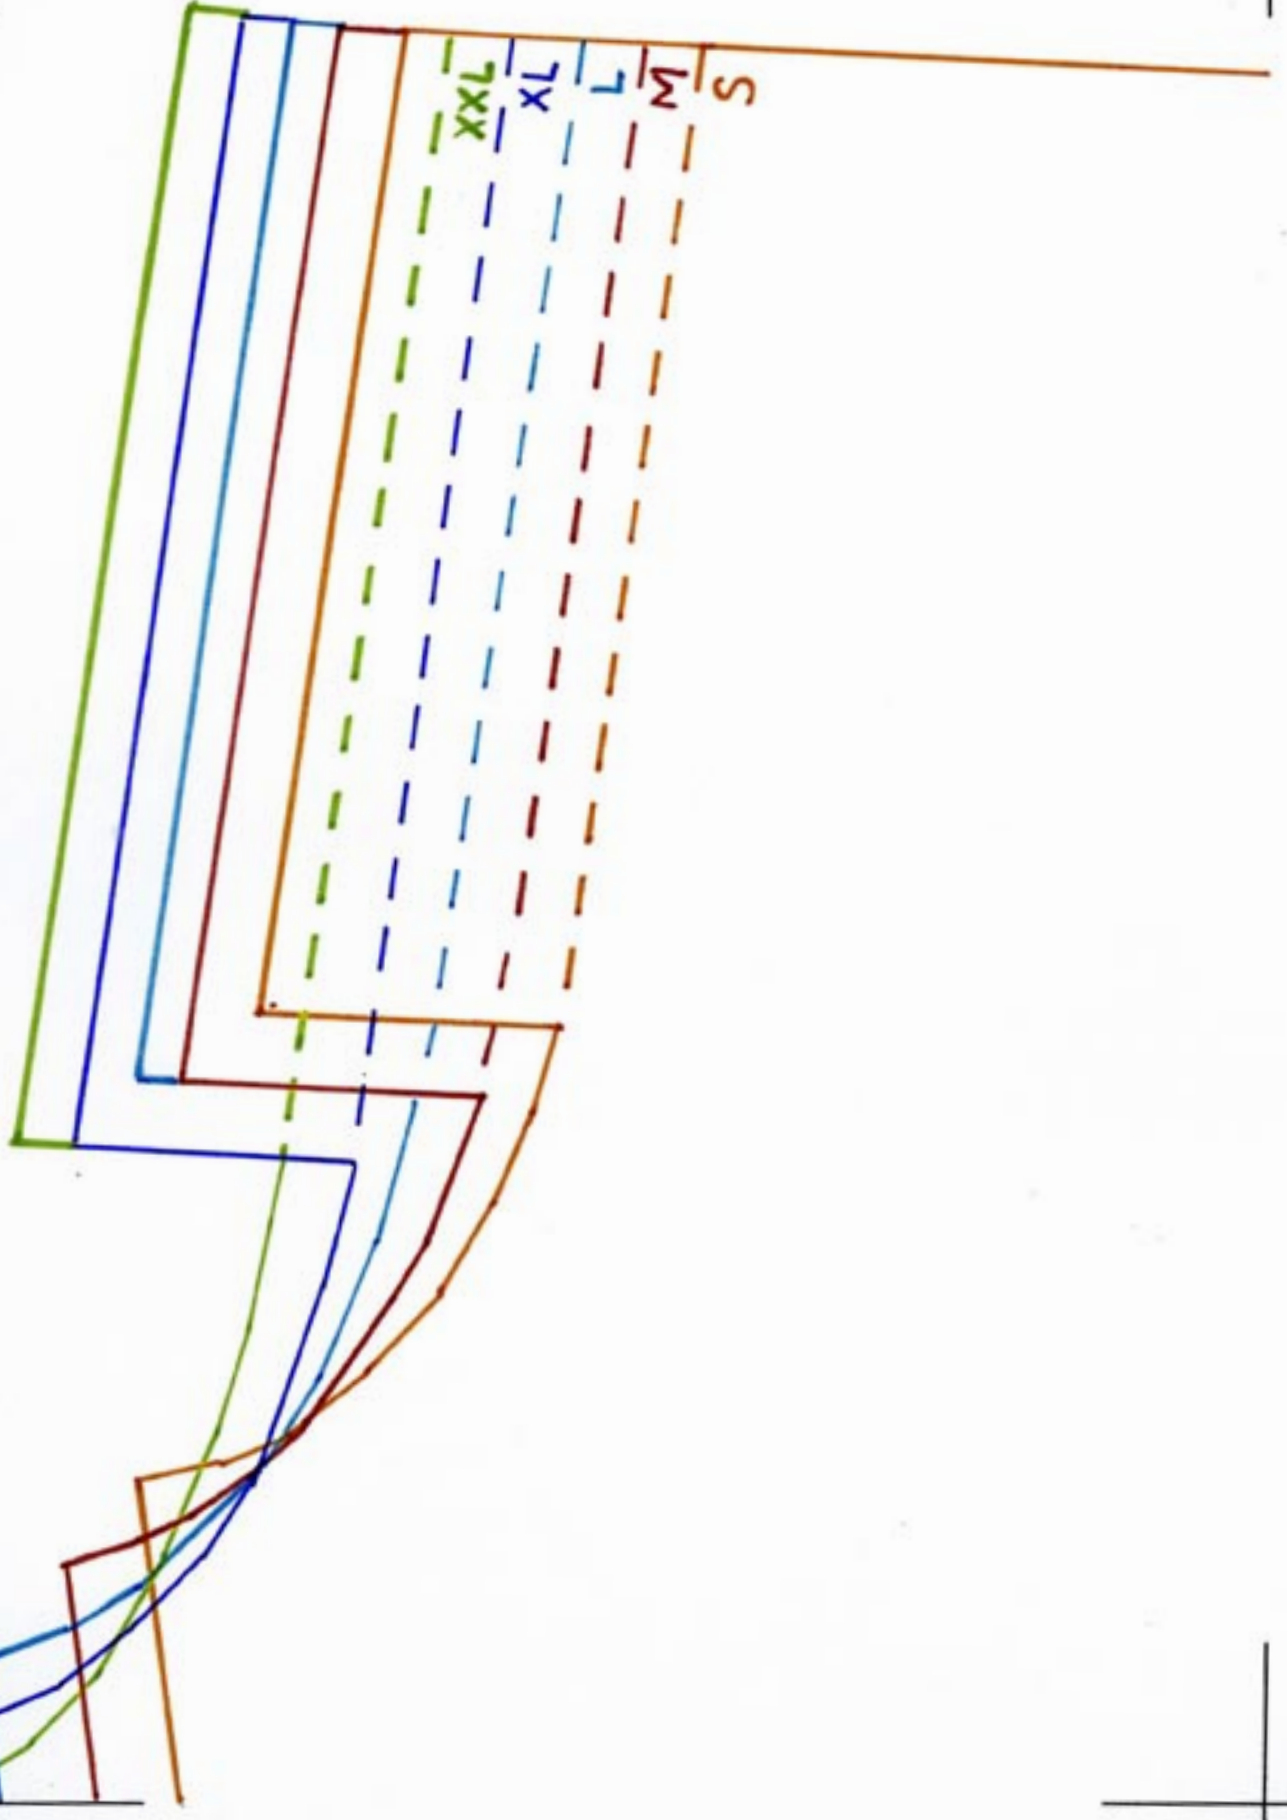

NOTE! You only have to use pattern piece 11 if you are using sizes XL or XXL.

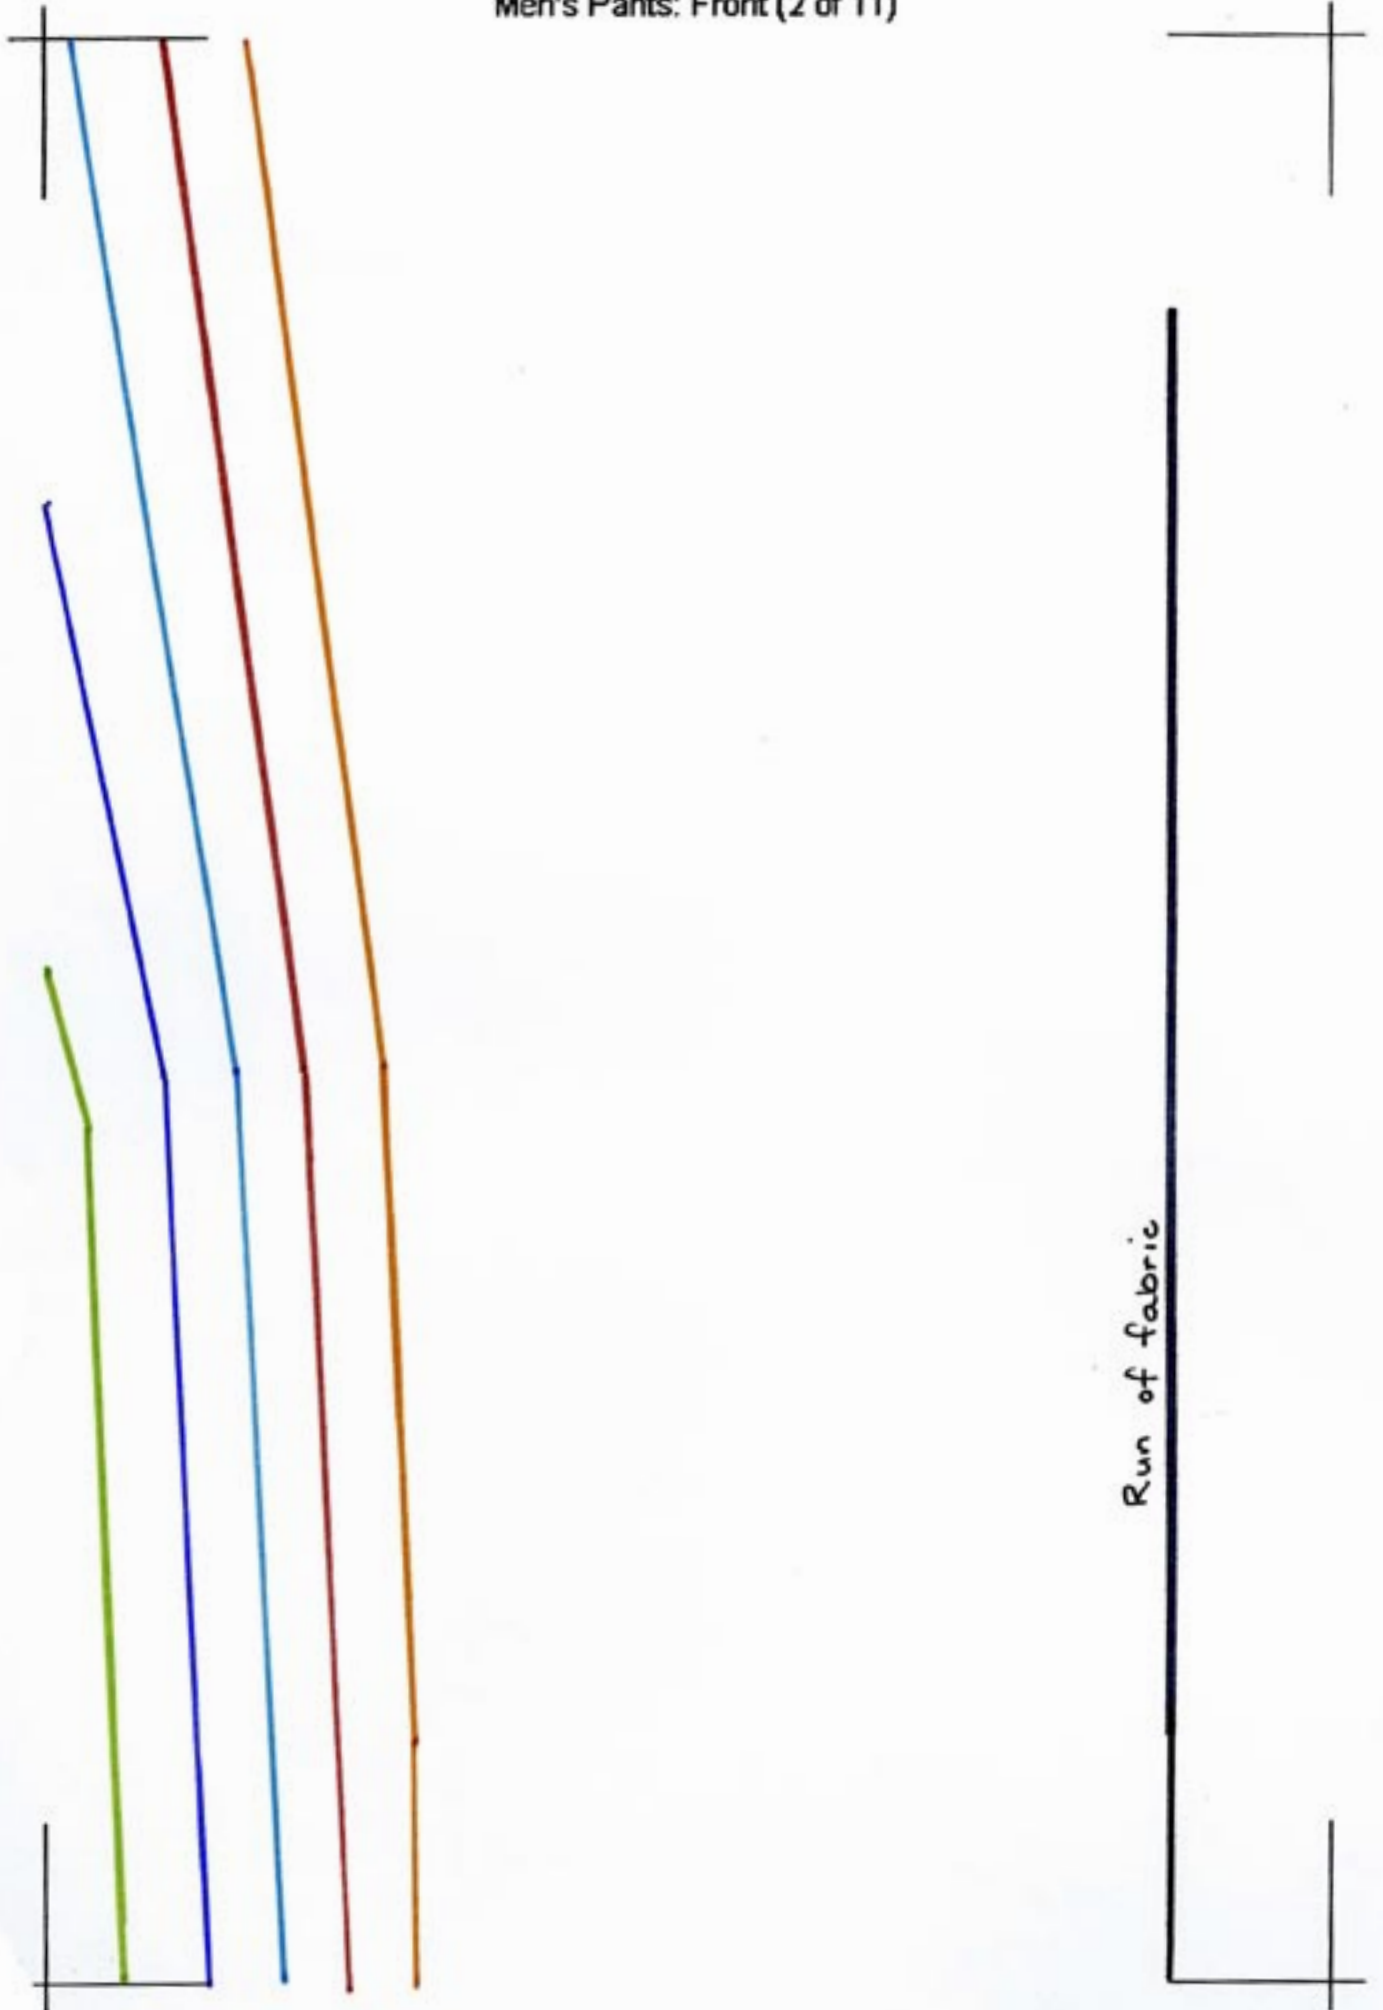

Remember to print out on A4 paper (210 x297 mm)
to get the right measurements for your size.

Measure the distance between the 'corner hooks' to make
sure you have the right size. The distance is (170 x 257 mm)
